

### **Acne Facial (60 minutes)**

Help bring balance to problematic, acne-prone skin. Obtain a clearer, healthier complexion with each treatment. Recommended for clients with active acne, inflammation, and blackheads. Extractions included.

### **Anti-Aging Facial (60 minutes)**

This comprehensive treatment combines our stable tri-vitamin C blend with correcting exfoliating agents, plant-derived stem cell technology, and deeply hydrating ingredients to treat inflamed and dry, dehydrated skin.

### **Rosacea Facial (50 min)**

A PH balanced facial crafted using soothing botanicals, hyaluronic acid, and certified organic ingredients to sweep the skin of impurities. This facial treatment is designed to manage and soothe skin affected by rosacea, a chronic skin condition causing redness, flushing, and sometimes bumps and pimples. The focus of this facial is to calm the skin, reduce inflammation, and minimize triggers that can worsen rosacea symptoms. The Rosacea facial includes a mask with a lymphatic facial massage using cold stones to further help soothe and calm the skin.

### **Back Facial (50 min)**

The skin on your back is thicker and more resilient than your face but can still suffer from many of the same issues as seen on the face, such as acne, dryness, uneven tone and texture, and sun damage. Just like a facial that cleans and refreshes your face, a back facial is a skin care treatment for your back that cleanses, exfoliates, refreshes, and moisturizes your back. The back facial treatment starts with gentle steaming to open the pores, making it easier to lift away impurities. Extractions are included if needed. This treatment ends with a customized mask tailored to your specific skin concern that addresses this concern. A back facial also includes a relaxing neck, back, and shoulder massage that eases tension and leaves you feeling relaxed and refreshed.

### **Microdermabrasion (30 minutes)**

Microdermabrasion is a non-invasive and non-surgical procedure that sprays a stream of fine crystals directly onto the skin. This crystal spray removes the surface layers leaving a smooth, fresh rejuvenated skin surface. It is effective in reducing fine lines, "crow's feet," age spots and acne scars. It stimulates the production of skin cells and collagen. The procedure is virtually painless and leaves the skin with little or no redness. Patients are usually able to return home or to the office immediately after the procedure.

### **Wrinkle Lift Treatment (30 min)**

This ultra-resurfacing blend of glycolic acid combined with retinol visibly reduces the appearance of fine lines and wrinkles leaving skin firm and revitalized. Buddleja stem cells reduce irritation and diminish photo-aging, botanical coffee and peppermint energize, while eucalyptus and ylang ylang purify the skin.

### **Redness Relief Lift Treatment (30 minutes)**

This result-driven treatment combines vitamin C, hydroxy acids, and enzymes to speed up cellular renewal. New technology of centella stem cells support redness prone skin, and botanical detoxifying and energizing complexes give noticeable results in just one session. SKIN TYPE - redness, dry/dehydrated

### **Lightening Lift Treatment (30 minutes)**

This treatment combines the most innovative and effective botanical brighteners with echinacea plant derived stem cells and antiaging peptides immediately leaving skin younger looking and luminous. SKIN TYPE - pigmentation, photo damage, sun/dark spots, melasma

### **Acne Lift Treatment (30 minutes)**

This treatment utilizes a potent blend of alpha- and beta-hydroxy acids blended with lilac plant-derived stem cells to reduce blemishes, redness, and diminish post-breakout dark spots. Detoxifying ylang ylang and eucalyptus purify oily skin and effectively treat and heal. SKIN TYPE - ACNE GRADE – I-II, oily, acne-prone
